Serbia	00126014	Empowering Women's Knowledge Aleksinac	OPSTINA ALEKSINAC	24-Aug-23	31-Dec-23		The aim of the project is to empower rural women in the Municipality of Aleksinac and members of rural women's associations by addressing their marginalized status and lack of awareness of their rights and economic opportunities. Through tailored training sessions, the project seeks to increase the capacity of unemployed rural women and enhance their economic independence by connecting them with local businesses and relevant stakeholders. Additionally, the project aims to raise	5,027.30

							awareness among members of rural women's associations about project financing opportunities, enabling them to seek funding for individual or collective projects and fostering economic empowerment within their communities.	
Serbia	00126014	Busy Hands Zajecar	Grad Zajecar	25-Aug-23	31-Dec-23		The project targets women from villages in the wider surroundings of Zaječar City. The project supports rural women by showcasing processing practices from other regions, helping them explore collaborative opportunities and marketing strategies. It addresses challenges like unemployment and low living standards by promoting farm diversification and enterprise development, aligning with the City's Development Plan. The project aims to empower 10 women to start or enhance their agricultural processing businesses and increase awareness of gender equality among about 60,000 Zaječar residents through local government initiatives.	3,899.68
Serbia	00126014	Promotion of women's entrepreneurship in rural areas - Uzice	GRAD UZICE	28-Aug-23	31-Dec-23		The project aims to educate rural women about associations, funds, and local policies for development while showcasing their importance in community growth through media. It includes workshops, meetings, and a public event for Rural Women's Day, alongside media content highlighting women's roles. It addresses rural women's needs by fostering unity, visibility, equal participation, and access to support programs. Aligned with the LAP of Užice, it promotes gender equality and seeks donor support. Sixty entrepreneurs will benefit directly, while up to 10,000 citizens will gain indirectly. The project benefits rural women, families, and local governments by demonstrating a commitment to gender equality.	4,538.66
Serbia	00126014	One Step Towards the Goal - Trstenik	Opstina Trstenik	24-Aug-23	31-Dec-23		The project aims to enhance gender equality in the rural areas of the municipality of Trstenik, focusing on women and youth. It targets improvements in employment, health, and education, particularly through mandatory gynecological check-ups for rural women to address cancer incidence. Unemployed women and	3,649.40

							rural youth seeking employment, along with students from two local high schools, form the primary beneficiaries. Indirectly, local businesses and all citizens benefit. The project intends to expand women's access to preventive health services, educate students about reproductive health, and raise awareness about peer and digital violence. A key outcome will be the development of a Local Action Plan for Gender Equality, reflecting the project's overarching goals.	
Serbia	00126014	Drafting and development of the LAP for GE of the Municipality Petrovac na Mlavi 2023-2026	Opstina Petrovac na Mlavi	28-Aug-23	31-Dec-23		The aim of the project is to draft and develop a Local Action Plan (LAP) for Gender Equality within the Municipality of Petrovac na Mlavi from 2023 to 2026. This involves creating a comprehensive framework that addresses gender disparities and promotes equal opportunities for all members of the community, particularly focusing on underrepresented genders. The project seeks to raise awareness about the importance of mainstreaming gender equality across various aspects of community life, including decision-making processes, resource allocation, and interpersonal dynamics. Through education, training, and community engagement, the aim is to foster a more inclusive and equitable environment where individuals of all genders can thrive and contribute to the municipality's development. Ultimately, the project aims to establish mechanisms and activities that promote meaningful and transparent implementation of gender equality principles, benefiting both direct and indirect stakeholders within Petrovac na Mlavi.	4,698.41
Serbia	00126014	Empowered and bold women - Krusevac	GRAD KRUSEVAC	4-Sep-23	31-Dec-23		The purpose of the project of the Kruševac City targets women over 18, irrespective of employment status or farm ownership, aiming to inform at least 100 women about gender equality principles and their practical implementation. Additionally, a minimum of 50 women will receive education in women's entrepreneurship to enhance economic empowerment. Indirect beneficiaries include broader social communities and men, with	4,908.90

							the project fostering increased sensitivity towards women's roles. Overall, the project seeks to improve the position of rural women in Kruševac by enhancing local mechanisms, raising awareness about gender equality principles, and advancing women's entrepreneurship through education and networking opportunities.	
Serbia	00126014	Empowering rural women for the development of women's entrepreneurship in the digital environment - Knic	Opstina Knic	24-Aug-23	31-Dec-23		The project in Knić municipality targets rural, unemployed, and young women entrepreneurs, aiming to educate and empower them. It establishes the Business Women Club and organizes a women's entrepreneurship fair. Benefits include empowerment, networking, improved organization, market presence, marketing promotion, higher incomes, home-based work options, reduced business costs, and e-business knowledge. Additionally, it benefits the local government by narrowing the gender gap, increasing employment, boosting revenue, and fostering entrepreneurship, trade, tourism, and agriculture, ultimately improving living standards and family satisfaction.	4,510.47
Serbia	00126014	Drafting the LAP for GE of the Municipality of Despotovac 2023-2026 and implementing the activity of economic empowerment of rural women	Opstina Despotovac	24-Aug-23	31-Dec-23		The project aims to develop a Local Action Plan for Gender Equality in Despotovac Municipality, targeting both men and women involved in the drafting process and all residents benefiting from its implementation. Key focus areas encompass education, employment, political participation, and violence protection. Expected outcomes involve identifying gender equality issues, implementing awareness campaigns, supporting victims of violence, and enhancing women's economic empowerment and political engagement. Particularly, rural women stand to gain skills for employment and entrepreneurship, fostering community development and social cohesion. Ultimately, the project endeavors to advance gender equality, empower rural women, and generate positive impacts across individuals, the community, and society in Despotovac Municipality.	4,886.35

Serbia	00126014	Village = source of new opportunities for women - Backa Palanka	Opstina Backa Palanka	24-Aug-23	31-Dec-23		The project targets unemployed women in rural areas and Roma communities. It aims to train 40 women selected through local NGOs. The goal is to empower these women with skills for job searching and enhance their competitiveness in the job market. The project expects to create economically stronger women capable of independent work and reduce the need for social assistance. Ultimately, it aims to improve living standards for these women and their families. The training provided will equip them for self-employment, potentially enabling them to run home-based businesses.	4,698.41
Serbia	00126014	Towards Full Respect of Rights of Women and Girls in Induced Abortion Procedures – Advocacy and Raising Awareness	Beogradski centar za ljudska prava	1-Mar-23	31-Jan-24	31-Jan-24	The project aims to empower women and girls to learn about their rights before and during the procedure of induced abortion, as well as legal mechanisms if their rights are violated during the procedure. Through the project recommendations as an advocacy tool to improve the practice and treatment of patients subjected to induced abortion in Serbia will be developed and at least 500 women and girls from different local communities (Belgrade, Nis, Novi Sad, Kragujevac, and Uzice) will be informed about patient rights – with a specific focus on cases of induced abortion.	32,165.50
Serbia	00126014	Advocating for the better future of rural women	Udruzenje zena Sacuvajmo selo Priboj	1-Mar-23	31-Dec-23		Purpose is to support rural women from southwestern Serbia to actively participate in developing and implementing gender-responsive programmes and policies towards improving their socio-economic status. The project aims to achieve the following results/outputs: 1) Increased the advocacy skills and knowledge for economic resilience of rural women from southwestern Serbia, and 2) Implement evidence-based advocacy measures aiming at the development of women led rural household tourism in Priboj.	31,937.60
Serbia	00126014	Rural women of Zlatibor, Moravica and Raški districts together for women's rights	ZENSKI CENTAR UZICE	1-Mar-23	31-Jan-24		The aim of the project is to strengthen the capacity of village associations in southwestern Serbia for active participation in the development and implementation of gender policies and programs in local communities. The proposal envisages the following results/outputs: 1) Strengthened capacities of rural	32,117.31

							women's associations for monitoring, implementation and advocacy of gender-sensitive programs and measures at the local level, and 2) Increased level of cooperation between rural women's associations, mechanisms for gender equality and women councilors in order to create adequate measures and support programs at the local level.	
Serbia	00126014	Women are Change Agents	Association of citizens Amity	1-Mar-23	31-Jan-24		The project aims to support women from vulnerable social groups (women 45+, women with children with disabilities, rural women, women from minority communities, and women with disabilities) from Morava and Rasina districts to become aware of their rights regarding the available social services, but also to formulate their needs and advocate for their rights towards local authorities. Through the project at least 200 women from Morava and Rasina districts will increase their knowledge about gender equality, social and economic rights, and the importance of their greater participation in the creation and adoption of local policies and recommendations for improvement of availability and types of social and health care services in mentioned districts will be developed.	32,133.95
Serbia	00126014	Advocacy and Participation for the Improvement of Women's Rights in Serbia	Udruzenje gradjanki FemPlatz	1-Mar-23	31-Jan-24	20-Feb-24	The aim of the project is improvement of gender equality in Serbia which is aligned with human rights recommendations and international standards, as well as the national legislation and policies. The project aims to achieve the following results/outputs: 1) Produce evidence-based recommendations for the fulfillment of women's rights and improvement of gender equality, through producing annual reports and involving a wider pool of organizations, and 2) Empowerment of rural women to take an active role in identifying and advocating for the improvement of their position and fulfillment of their social and economic rights.	31,951.16
